Comments:

In the Group Performance today, you communicated the character's situation and feelings, through expressive and appropriate use of face and voice, throughout your acting. Fluent and well projected delivery of lyrics throughout in singing. In answers to the questions, you described character and context in excellent detail.
Continue working on timing, coordination and rhythmic awareness in dance, and to fully convey the mood of the music in your dance technical skills demonstration.
Thank you for taking a PAA exam. In summary this was a highly proficient performance overall. Well done!
